

## Joseph The (Useful) Cardboard Box – song by Alex Vann

A little girl went to the shed one day  
To see what she could find  
A bucket, a mop and a pair of shoes  
A lawnmower on its side

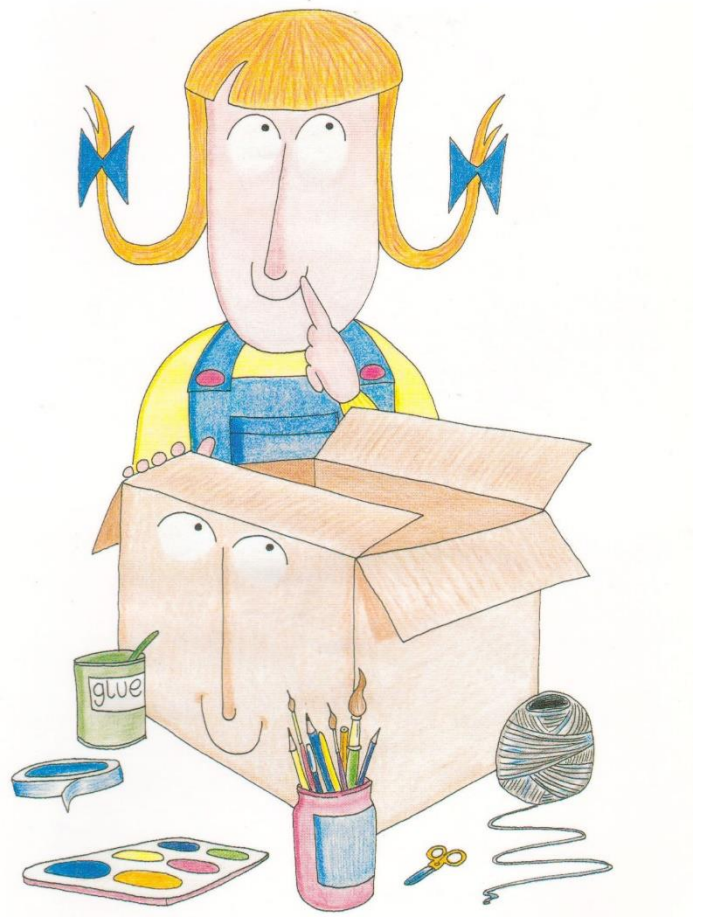

The little girl was about to leave  
When she saw something there  
Behind the mop and the other things  
Was something that made her stare

### Chorus

**His name was Joseph, Joseph The Cardboard Box**  
**We know you can do lots and lots and lots**  
**With Joseph, Joseph The Cardboard Box**  
**When he comes out to play, the fun never stops**

She took the box into the house  
Joseph felt so warm  
He felt much better in this place  
Than he'd ever felt before

Daddy, look at what I've found  
The little girl said so  
This cardboard box will be perfect for  
Sledging in the snow

Chorus

**His name was Joseph**

**Joseph The Cardboard Box**

**We know you can do lots and lots and lots**

**With Joseph, Joseph The Cardboard Box**

**When he comes out to play, the fun never stops**

The little girl picked Joseph up

And carried him outside

She put him in her daddy's car

And they went for a ride

They drove for miles until they stopped

We're here her daddy said

Then she sat in Joseph and

She used him as a sledge

Chorus

**His name was Joseph**

**Joseph The Cardboard Box**

**We know you can do lots and lots and lots**

**With Joseph, Joseph The Cardboard Box**

**When he comes out to play, the fun never stops**
