We've expanded our February Half Term Arts Activities for 10-16s 21-25 February 2022.

We are extremely grateful to City of Wolverhampton Council and YES (Youth Engagement Strategy Board) for funding our February Half Term Activities for young people.

We have been able to expand this project and have more spaces available. The sessions start on 21st Feb so please share this across your networks as we'd love to be oversubscribed.

#### #BAS9: BRITISH ART SHOW 9

Alex Vann from RAW is delighted to have been appointed Public Engagement Ambassador for British Art Show 9. This contemporary art show is organized by Hayward touring gallery and comes around every 5 years.

Wolverhampton has been chosen as a venue this time because of its cultural diversity and because of the world renown collections of Black Arts Movement and the Troubles in Ireland at the Art Gallery.

Alex's role is to encourage the public to engage with the exhibition and deliver a series of practical workshops for social prescribing service staff. In the first session link workers created the wonderful hot air balloon newspaper mosaic shown.

Catch up on regular updates with this project on our own social media – Instagram, Twitter and Facebook (links below) and also the #BAS9 hashtag.
